About Us: Revise the Core Value Service to read as the following sentence below

SERVICE

We pride ourselves in delivering exceptional service to the University of Florida. We value, respect, and celebrate the unique experiences and perspectives of our partners, guests, campus community and each other.

Students Today Alumni Tomorrow Tab: Revise, the blue header, and the photos.

The header is over the words of the paragraph -> Please find a way to fix this

REVISE:

Beat Tee Giveaways

The BEAT Tee Committee collaborates with a professional graphic designer from the Alumni Association to create a t-shirt design for each home football game as well as coordinate the BEAT Tee giveaways. At these events, STAT members wait outside Emerson Alumni Hall to receive an exclusive shirt.

UF Traditions

Florida Cicerones strive to keep UF traditions alive by creating the F-Book and connecting Gators to one another. Student members of STAT can get involved in tradition keeping by downloading The Gator Nation App to virtually log their traditions and submit photos to be featured in the upcoming F-Book.

Beat Tailgates

Every home football game, Florida Cicerones help staff the Beat Tailgates to welcome back UF alumni and Gator fans alike. We interact with over one thousand guests at each of these events and thoroughly enjoy the unrivaled spirit of the fans we host. Student Life Members of STAT are welcome to bring two complimentary guests!

For the Campus Partners Tab:

Office of the President: Revise the paragraph to read as follows

Presidential Hosting

Presidential Hosts serve President and Mrs. Fuchs at the Dasburg House, Powell University House, President's Suite, and other official Presidential Events on- and off-campus. Presidential Hosts frequently interact with prestigious administrators, faculty, alumni, and guests of the President. Accordingly, Presidential Hosts are to maintain the very highest standards of professionalism at these events. It is an honor to be chosen as a Presidential Host, as they not only represent the University of Florida, but the Office of the President as well.
