

Dear Treasure Coast Gators,

Our small group of current board members at the Treasure Coast Gator Club® needs your help to expand our board for the upcoming year! The club is run entirely by volunteers and, in order to ensure the future of the club, we need additional volunteers. If you enjoy the programming provided by the club and want to see the Gator Nation® continue to be strong in Treasure Coast into the future, we need you to raise your hand and join us.

The Treasure Coast Gator Club® is an affiliated organization of the UF Alumni Association and exists to support the mission of teaching, research and service for the University of Florida. Volunteer service on the Treasure Coast Gator Club® board requires about two to four hours a month for meetings, watch parties, and occasional events and an active UF Alumni Association membership. The benefits of volunteering include great relationships with fellow Gators, a strong connection to the university we all love, training opportunities both virtually and on campus, and a ton of orange and blue pride!

If you are interested in learning more about a leadership role with the Treasure Coast Gator Club®, or if you know someone who might be a great fit, please reach out to James Whitley at jwhitley@senior-lifeservices.com.

Thank you and Go Gators!

James Whitley
